

# Storytime Training 2012

Are you interested in presenting regular storytimes in your local library? We'd love to have you attend our Storytime Training. (It's a requirement if you are volunteering to do storytimes in any of our branches.) It's a fun, free, and creative workshop that lasts just one morning.

- Learn how to manage group behavior in storytimes for toddlers or preschoolers.
- Get great tips on selecting books, songs, activities and more.
- See how a successful storytime is put together.
- Ask questions and get practical answers.
- Have fun and meet others who love to share stories with children!
