# Volunteers Needed

## Rosenbluth Homework Center

Help the children of our community succeed by giving two (2) hours a week as an after-school volunteer or a tutor at the Rosenbluth Homework Center

### After School Volunteer

- Register students for the homework center.
- Help students find the information needed to complete homework assignments.
- Assist with computer basics.

### After School Tutor

Help those students who are hungry to learn but need a little extra help to complete their homework. Tutors are needed for all grade levels, in all subjects. Students and Tutors will be paired to assure success!

Make a difference in the future of a child!  
Success in school leads to greater success in life!  
For more information, please call 486-5460 and ask for  
Bernadette or Susan.  
(minimum age to volunteer is 16 years)
