

# Using MS Vista to Access Ventura County Library Wireless Network

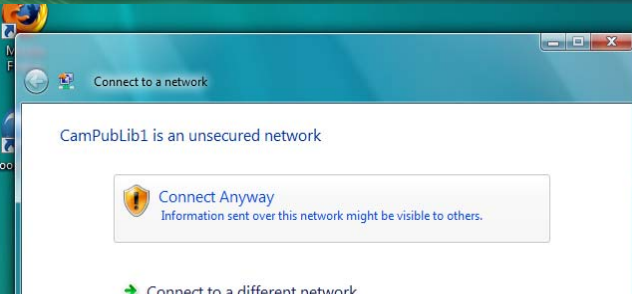

1. Locate available wireless networks (double click the wireless icon in the right corner).

2. Highlight a Ventura County Library network.

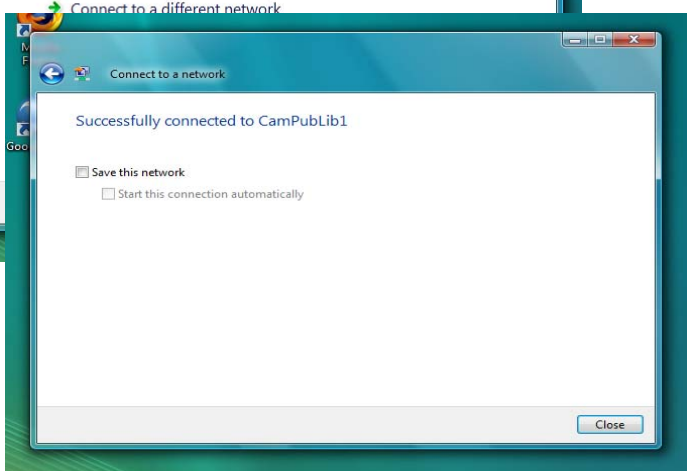

3. Click the Connect button (right corner).

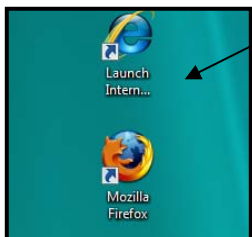

4. Click on the "Connect Anyway" box.

5. Dialog box appears saying you have successfully connected to a Ventura county Library network.

6. Click close button.

7. Open up your Internet Browser
8. Type your library barcode and PIN.
9. Accept the Library's Internet Policy.
10. Click Login.
