

Dear Moorpark Library Patron,

Effective January 1, 2007, the city of Moorpark has chosen to leave the Ventura County Library system. The County of Ventura will continue to administer the library through December 31, 2006. This notice has information about some changes that will occur.

Closing and Opening Dates

The library will remain open until 5:00 pm on Saturday, December 30, 2006. The city of Moorpark plans to reopen the library under its own operation on Monday, January 8, 2007.

Library Card

Your Ventura County Library card will continue to be valid for use at any Ventura County Library location, including the Simi Valley and Camarillo libraries. The city of Moorpark will be issuing new cards for use at the Moorpark City Library.

Returning Materials to the Moorpark Library

Moorpark Library books and other materials can continue to be returned to the Moorpark Library at any time. Library items belonging to another Ventura County library can be returned to the Moorpark Library until December 28. After that date, only occasional pickups will be made to deliver non-Moorpark books to the owning library. Extended due dates on Moorpark items will be offered so that patrons are not inconvenienced during the closure of the library by the city of Moorpark from January 1 - 8, 2007.

Requests

Any requested item borrowed from another library and held at the Moorpark Library will need to be picked up at Moorpark by December 28. Alternatively, when making your request, you may designate a different pickup location such as Simi Valley Library or Camarillo Library.

For more information regarding the closure, please contact Jennifer Mellon, City of Moorpark, at (805) 517-6247.

It has been our pleasure to serve you.

Your Ventura County Library Staff
